By now we are sure you have received an invoice for insurance and undergraduate fees and we strongly encourage you to pay those invoices by their November 1st due date in order to avoid late fees. **We thank all Chapters who have submitted required documentation from the September Alpha Mailer and who have already paid their insurance and Undergraduate Fees.** It is very important to start off the year on the right foot and stay on track. If there is anything we can do to help in that regard, please let us know.
