PHI KAPPA SIGMA INTERNATIONAL FRATERNITY, INC.
ANNOUNCES ORGANIZATIONAL CHANGE AND EXECUTIVE DIRECTOR SEARCH

- Phi Kappa Sigma announces search for new Executive Director after decision to transfer Executive Director Timothy Schug to new role.

CARMEL, IN – October 2nd, 2017 – The Phi Kappa Sigma International Fraternity is opening a search for a new Executive Director, as the Fraternity’s current Executive Director, Timothy Schug, is being transitioned into a new role to oversee all administrative and technical and operational aspects of fraternal activities. The Fraternity’s Board felt strongly that the time had come for a visionary leader who could lead the Fraternity into the next decade; expansion, growth, and reconnecting with its alumni have become vitally important as the Fraternity seeks to expand its base and renew its alumni relationships according to International Fraternity Board President Mike Palladino, Alpha Nu (Georgia Institute of Technology) '04.

Phi Kappa Sigma Fraternity is grateful for the service Tim has provided while as Executive Director. He has been asked to continue providing advice and counsel on issues and topics that may come up during the interim when the national search for his successor is conducted.

Board President Palladino noted, “Brother Schug has been a critical part of our Headquarters staff for years, helping us to see new successes and weathering challenging times. Amidst an ever-changing fraternal landscape, Brother Schug has been the constant, positive, driving force in our organization. There is no doubt that he will be effective given his educational background and wealth of fraternal experience. As an organization, we are incredibly fortunate to have a unique resource like Brother Schug on our staff.”

Candidates interested in applying for the Executive Director position should review the job description on www.pks.org/jobs, send a resume and cover letter (including salary requirements) via email to Mike Palladino, Phi Kappa Sigma Board President, at mpalladino@pks.org no later than October 15th, 2017.
